**BEST PRACTICES OF CENTRE FOR DISTANCE AND ONLINE EDUCATION**

**(CDOE)**

**TEZPUR UNIVERSITY**

- Centre for Distance and Online Education, Tezpur University, has stepped forward and has begun use of ICT technologies for reaching out to all learners of the institution by preparation of Audio Video lectures on different important topics under its PG programmes. The same are being made available to its learners through its YouTube channel and home web page.
- The Centre has further, fully digitized its examination and other related fee collection processes, in addition to its already existing online collection system of admission fees. Centre has also introduced conduct of intensive doubt clearing sessions in online mode through regular classes with its admitted learners by the dedicated faculty members of the Centre, in addition to the conduct of mandatory counseling sessions.
- Preparing the learners for the ongoing semester activities through counselling in the beginning of the semester. In the counselling preparation of assignment papers and Project proposal and final reports are demonstrated by experts and project guides.
- Updation of SLM in conformation with UGC, ODL Regulation, 2017 where experts from STRIDE, IGNOU gave hands on training to the content writers. This will be done in regular interval as and when required.
- Taking student feedback at the end of the semester, as done in regular mode. At CDOE, online feedback is accepted.
- Physical verification of answer scripts by learners .
- CDOE learners are connected with the Placement Cell of Tezpur University where they can do registration online for placement related information.
